

Decorative Ceiling Fan with Light Kit

This ceiling fan features five decorative, leaf-shaped blades. It also includes a light kit with three frosted glass shades.

Product Overview

Elegant Decorative Ceiling Fan

Enhance your interior space with this decorative ceiling fan, featuring a unique five-blade design with leaf-shaped styling. The unit combines functional air circulation with ambient lighting, utilizing three downward-facing frosted glass shades to soften the output. With its classic pull-chain operation and contrasting dark brown and white aesthetic, this fan serves as both a cooling solution and a sophisticated decor piece.
