

Decorative Wooden and Metal Cage Container

This decorative container features a wooden base and top. Ornate, silver-colored metalwork forms a cage-like structure around the central compartment, topped with a tiered finial.

Product Overview

Vintage-Inspired Cage Container

This decorative container blends rustic wood elements with ornate metalwork to create a sophisticated vintage aesthetic. The cage-style design features a hinged door for easy access, making it both a beautiful display piece and a functional storage solution. Its tiered top and decorative finial add an elegant touch, perfect for upscale retail displays, home decor boutiques, or interior design projects.
