

Detachable Sleeve Canvas Work Jacket

This canvas working jacket features detachable sleeves, allowing conversion to a vest. It is constructed from durable canvas material and equipped with multiple pockets.

Product Overview

Versatile Professional Workwear

This durable canvas work jacket is engineered for professionals requiring adaptability in demanding environments. Featuring detachable sleeves, it seamlessly converts into a vest, offering superior flexibility for changing weather or task requirements. Built with a robust polyester-cotton blend and triple-stitched seams, it provides long-lasting protection and functionality for industries like mining, oil and gas, and construction.
