

Digital Bathroom Scale

This precision body scale is designed for accurate weight measurement. It features a clear display showing weight in both pounds (LB) and kilograms (KG), with a weight range up to 180 kg / 380 lb.

Product Overview

Precision Health Monitoring

This digital bathroom scale combines modern digital accuracy with a classic analogue display for easy weight tracking. Built with a durable 6mm tempered safety glass platform, it ensures both safety and longevity in a home environment. Equipped with four high-precision sensors, it delivers reliable measurements up to 180kg, making it an ideal tool for personal health and fitness monitoring.

Technical Specifications

Maximum Capacity

180 kg

Capacity

Measurement Division	0.1 kg
