

Digital Bathroom Scale with Floral Design

This digital bathroom scale features a glass platform with a floral design. It has a maximum capacity of 150kg (330LB/24ST).

Product Overview

Precision and Elegance

The SS-3020 digital bathroom scale combines aesthetic appeal with high-precision weighing technology. Featuring a durable glass platform with a sophisticated floral design, it provides accurate weight tracking for home or clinical environments. Equipped with four high-precision sensors, this scale ensures reliable readings and user-friendly features like automatic zeroing and shut-off.
