

Digital Bathroom Scale with LCD Display

This digital scale is designed for personal weight monitoring. It features a clear LCD for easy reading and supports a maximum weight of 150kg.

Product Overview

Precision Personal Weighing Solution

The SS-3020 electronic scale is a reliable and accurate device designed for personal weight monitoring. Equipped with four high-precision sensors, it ensures consistent measurements up to a 150kg capacity. The user-friendly design includes an automatic zero and shut-off function, alongside a clear 30mm LCD display for effortless reading.

Technical Specifications

Maximum Capacity	150 kg
Division/Accuracy	100 g
Sensor Technology	4 High Precision Sensors

Display & Interface

Display Type	LCD
Digit Height	30 mm

Power & Operation

Battery Type	1x Lithium Battery (CR2032)
Smart Features	Auto Zero, Auto Off (8s), Low Battery Indication, Overload Indication, Foot Tap Switch

Measurement Units

Supported Units

- kg
- LB
- ST
