Product Overview

Precision Digital Personal Scale

This digital personal scale combines durability with high-precision measurement technology. Featuring a 6mm tempered glass platform and a low center of gravity design, it ensures stability and safety during use. The device includes essential smart features like auto-power-off, overload alerts, and a clear LCD display for reliable daily monitoring.

Measurement Specifications

Maximum Capacity	150 kg
Supported Units	kg, lb, st
Division	100 g

Design & Build

Platform Material	6mm tempered glass
Scale Dimensions	230 x 140 x 24 mm

Display & Technology

Display Type	LCD
LCD Dimensions	40 x 50 mm
Sensor Technology	High precision strain gauge

Features

Key Features

- Step-on technology
- Auto-off function
- Overload indication
- Low battery indication

Power

Power Requirements

3 x 1.5V AAA batteries (included)
