Product Overview

Versatile Wall-Mounted Cooling

Designed for efficient space-saving, this wall-mounted fan series offers flexible cooling solutions for homes, offices, and commercial spaces. Featuring a high-performance copper motor, the unit provides three distinct wind modes and a 7.5-hour timer for customized comfort. With multiple size options and robust construction, these fans are built to deliver reliable airflow and easy operation via remote control.

Key Features

- Remote control operation
- 7.5-hour programmable timer
- Oscillation and tilting head functions
- Three wind modes: Natural, Normal, Sleep
- Durable metal line fan grille

Technical Specifications

Power Rating	50 W
Supported Voltage	110-127V, 220-240V
Motor Construction	Mixed/Pure Copper Motor
Power Cord Length	1.5 m

Compliance

Certifications

CE • RoHS • ErP • REACH • CB • GS
