

Distance Measuring Wheel

This measuring wheel is designed for accurate distance measurement in diverse applications. It features a high-grip wheel, a precise digital counter, and an ergonomic handle.

Product Overview

High Precision Digital Measuring Wheel

This professional-grade digital measuring wheel is engineered for accurate distance measurement in demanding environments. Featuring a durable wheel with a high-grip surface and a robust digital counter, it ensures precise readings for every project. Its ergonomic design provides comfort and stability, making it an essential tool for professionals in construction, surveying, and landscaping.

Model Identifier

HKW-1010

Key Features

Design Highlights

- High-grip surface for traction
- Robust digital counter
- Ergonomic handle

Ideal Applications

Construction, Surveying, Landscaping
