

Dome Security IP Camera

This security IP camera features a dome enclosure for a wide field of view and discreet monitoring. It delivers clear and detailed video footage in various lighting conditions, with remote access and durable construction for indoor and outdoor environments.

Overview

Professional Surveillance Solution

This dome security IP camera offers comprehensive monitoring capabilities with a 1.3-megapixel sensor and 4x electronic zoom. Designed for versatility, it features night vision up to 30 meters, two-way audio, and motion detection alerts to ensure reliable security. With easy remote access via mobile apps and broad browser compatibility, it is an ideal choice for securing homes, offices, and commercial spaces.

Imaging & Optics

Sensor Type	1/3" Color CMOS Sensor
Display Resolution	1280*960 (1.3 Megapixel)
Night Vision Range	30 meters
Viewing Angle	60 degrees

PTZ & Movement

Horizontal Rotation	350 degrees
Vertical Tilt	90 degrees

Connectivity & Network

Wi-Fi Standards	IEEE 802.11b, IEEE 802.11g, IEEE 802.11n
Wired Interface	10/100Mbps RJ-45

Physical Specifications

Dimensions	247 x 253 x 147 mm
Net Weight	1.5 kg
Operating Temperature	-10°C to 55°C

Compliance

Certifications
CE • FCC • RoHS
