

Double Toggle Light Switch

This double light switch features a minimalist design. It is suitable for residential or commercial lighting control.

Product Overview

Elegant Utility

This double toggle light switch offers a sturdy and durable construction, making it an ideal choice for both residential and commercial lighting control. Designed with a modern, minimalist aesthetic, it features a square faceplate with a refined matte finish. The two vertical, chrome-finished toggle switches provide a tactile and elegant user experience suitable for sophisticated interior designs.
