

Dragonfly Pattern Gardening Gloves

These gardening gloves feature a whimsical dragonfly pattern on the back of the hand. The palms are textured for enhanced grip, and the wrist cuffs are ribbed for a secure fit.

Product Overview

Dragonfly Pattern Gardening Gloves

These yellow gardening gloves are designed for light gardening tasks and general outdoor use, combining functionality with a whimsical dragonfly aesthetic. The back of the hand features a distinct dragonfly pattern, while the palms are textured to provide enhanced grip during work. With ribbed wrist cuffs, these gloves ensure a secure and comfortable fit for various hand sizes.
