

Drill Bit Set (0.5mm - 20mm)

This set includes drill bits ranging from 0.5mm to 20mm. The drill bits are organized in a metal case for convenient storage.

Overview

Comprehensive Drill Bit Set

This extensive drill bit set offers a wide range of sizes from 0.5mm to 20mm, making it a versatile solution for various professional drilling applications. The bits are neatly organized in a durable metal case, ensuring easy storage, transport, and protection. Designed for efficiency, the hinged case includes a secure latch to keep all components safely in place during transit.
