

Dual Blade Garden Hoe with Ergonomic Handle

This garden hoe features a dual-blade head made of durable metal. The handle is ergonomically designed with a black and orange grip for comfortable use.

Product Overview

Professional Grade Garden Hoe

This professional-grade garden hoe is designed for efficiency and durability in demanding gardening tasks. Featuring a heat-treated carbon steel blade with a black powder coating, it offers excellent resistance to wear and corrosion. The ergonomic TPR grip ensures comfort and control, making it an ideal choice for weeding, cultivating soil, and creating furrows.
