

Dual Monitor Desk Mount Stand 12-32 inch

This desk mount stand elevates two monitors to an ergonomic height, improving posture and reducing strain. Its swivel function enables easy screen sharing.

Product Overview

Ergonomic Dual Monitor Solution

This twin flat screen monitor desk mount is designed to enhance office ergonomics and maximize workspace efficiency by elevating two monitors to an optimal viewing height. Compatible with screens ranging from 12 to 32 inches, it provides robust support for setups weighing up to 18kg. With its flexible tilt and swivel capabilities, this mount helps users maintain better posture while offering the versatility to share screens easily.
