

## EAS Anti-Theft Safer Box for Retail

This EAS anti-theft safer box protects retail merchandise from theft. Its clear, durable plastic construction allows product visibility while the secure locking mechanism requires a special detacher to open.

### ADDITIONAL IMAGES

### Overview

#### High-Security Retail Protection

This EAS anti-theft safer box provides a robust security solution for high-value retail merchandise. Designed with a transparent PC+ABS body, it ensures full product visibility for customers while preventing unauthorized access through a secure magnetic locking mechanism. Compatible with both RF and AM systems, it offers versatile protection to reduce shrinkage in supermarket environments.
