Product Overview

Versatile Belt Sander

This electric belt sander is designed for efficient material removal and surface preparation across wood, metal, and plastic applications. Featuring a robust motor and adjustable speed settings, it provides consistent performance for both professional and DIY projects. The ergonomic design ensures comfortable control, while the integrated features promote a cleaner and more precise working environment.

Technical Specifications

Power Output	810 W
Voltage/Frequency	230-240V/50Hz
Sanding Belt Size	533x76mm

Performance Metrics

No-Load Speed Range

200 m/min
Minimum Speed

380 m/min
Maximum Speed

Physical Characteristics

Net Weight	3.2 kg
------------	--------

Applications

Compatible Materials	Wood, Metal, Plastic
