

Electric Bicycle with Basket and Rear Seat

This electric bicycle is designed for urban commuting and leisure rides. It features a front basket, headlight, step-through frame, rear seat with a backrest, and includes a visible motor and battery compartment.

Overview

Urban Commuter Electric Bicycle

This versatile electric bicycle is engineered for efficient urban commuting and comfortable leisure rides. Featuring a convenient step-through frame design, it ensures easy mounting and dismounting for riders of all skill levels. The inclusion of a front basket and a dedicated rear seat with a backrest makes it an ideal solution for carrying personal belongings or transporting a passenger safely.
