

Electric Bicycle with Step-Through Frame

This electric bicycle has a pink frame and includes a front basket for storage. It also features a rear passenger seat with a backrest, a headlight, and a visible battery pack.

Overview

Designed for Urban Mobility

This electric bicycle features a convenient step-through frame, making it easy to mount and dismount for riders of all ages. Equipped with a reliable battery system and integrated lighting, it is optimized for daily commuting and short-distance travel on paved surfaces. The design includes practical additions like a front basket and a rear passenger seat, enhancing its utility for personal transport.
