

Electric Bicycle with Step-Through Frame

This electric bicycle features a step-through frame, allowing for easy access. It is equipped with a front basket, rear rack with a padded seat, and a battery pack mounted behind the seat post.

Product Overview

Versatile Step-Through Electric Bicycle

Designed for convenience and accessibility, this electric bicycle features a comfortable step-through frame, making it easy to mount and dismount. Equipped with a powerful electric motor for assisted propulsion, it is perfect for urban commuting or leisurely rides. The inclusion of a front basket and a rear rack with a padded seat ensures high utility for carrying goods or passengers.
