

Electric Ceramic Rice and Herbal Medicine Cooker

This ceramic electric cooker is designed for brewing traditional herbal medicine and cooking rice. The ceramic pot ensures even heating and preserves the natural flavors of the ingredients.

Product Overview

Versatile Traditional Cooking

This electric ceramic cooker is meticulously designed for both brewing traditional herbal medicine and preparing fluffy rice. Crafted with a premium ceramic pot, it ensures uniform heat distribution while preserving the natural essence and nutritional integrity of your ingredients. The elegant aesthetic, featuring traditional illustrations and a modern wood-grain base, blends functionality with artistic design.
