

Electric Commuter Bike with Child Seat

This electric bicycle is designed for urban commuting and family use. It features a step-through frame, a front basket, and a rear-mounted child seat with a canopy.

Product Overview

Urban Family Commuting Solution

This electric bicycle is specifically engineered for urban commuting and family-oriented transport. It features a convenient step-through frame design for effortless mounting and dismounting, making it ideal for daily errands. Equipped with a dedicated rear-mounted child seat and a protective canopy, it ensures both safety and comfort for younger passengers while the rider benefits from electric motor assistance.
