Overview

High-Performance Garden Maintenance

This electric grass trimmer is designed for efficient lawn and garden maintenance, offering a powerful 1200W motor for faster operation. Its split shaft design ensures compact storage, while the lightweight build and ergonomic handle provide comfortable handling during extended use. With versatile cutting capabilities, including a 3T blade for thicker vegetation and a knock-on line feeding system, it is an ideal tool for maintaining neat lawns and clearing weeds.

Technical Specifications

Rated Voltage	230 V
Rated Frequency	50 Hz
Input Power	1200 W
No Load Speed	7000 rpm
Max Cutting Width	380 mm
Line Diameter	1.6 mm
Net Weight	5 kg

Design & Features

Key Features

- Split shaft design for compact storage
- Knock-on line feeding system
- Includes 3T blade for thick vegetation
- Adjustable telescopic shaft
- Safety guard for debris protection
- Dual-switch system for accident prevention
