

# Electric Curling Iron for Hair Styling

This electric curling iron is designed for creating curls and waves in hair. It features a power switch with an indicator light, a built-in stand, and a swivel power cord.

## Overview

### Professional Hair Styling Solution

This electric curling iron is designed for efficient hair styling, featuring a 19mm (3/4 inch) ceramic-coated barrel that ensures even heat distribution. Equipped with a fast-acting PTC heater, it reaches optimal styling temperatures quickly for consistent results. The inclusion of a 360-degree swivel cord and an integrated stand makes it a practical and user-friendly tool for creating curls and waves.

## Technical Specifications

Input Voltage	220-240V
Frequency	50/60Hz
Power Consumption	22 W

## Performance

### Operating Temperature

**180 °C**

Min Temperature

**200 °C**

Max Temperature

Barrel Diameter	19 mm
-----------------	-------

## Features

### Heating Technology

PTC Heater • Ceramic Coated Barrel • Fast Heat Up

### Usability Features

- On/Off switch with indicator light
- 360-degree swivel cord
- Built-in safety stand
