

Electric Drip Coffee Maker with Glass Carafe

This electric drip coffee maker brews coffee into a glass carafe. It features a water reservoir and a power switch for simple operation.

Product Overview

Reliable Daily Brewing

This electric drip coffee maker is designed for consistent performance in any environment, from office pantries to breakfast service areas. Featuring a durable glass carafe and a user-friendly design, it ensures easy operation and maintenance. The sleek, two-tone aesthetic allows it to blend seamlessly into modern kitchen and breakroom decors.
