

# Electric Drip Coffee Maker with Programmable Timer

This electric drip coffee maker is designed for brewing coffee with ease. It features a programmable timer, digital display, and a keep-warm function.

## ADDITIONAL IMAGES

## Overview

### Professional Programmable Drip Coffee Maker

This full stainless steel drip coffee maker is designed for high-capacity brewing, featuring a 1.25L glass carafe suitable for up to 10-15 cups. It offers advanced customization with a 3-level coffee strength adjustment and a fully programmable timer via a large white-backlit LCD display. Safety and convenience are prioritized with a magnet-lock lid, non-stick keep-warm plate, and integrated fusible protection.
