

Electric Fireplace with Mantel

This electric fireplace features a dark wood mantel with intricate detailing. It incorporates a realistic flame effect with glowing logs, creating a cozy atmosphere and providing supplemental heating.

Product Overview

Elegant Electric Fireplace with Classic Mantel

This electric fireplace features a dark wood mantel with intricate detailing, providing a classic and elegant aesthetic for any interior space. The unit incorporates a realistic flame effect with glowing logs, creating a cozy and inviting atmosphere without the maintenance of a traditional fireplace. Designed for supplemental heating, it serves as a functional and stylish focal point, perfect for enhancing the ambiance of living rooms or other gathering areas.
