Overview

Versatile Cordless Cleaning Solution

The W1 Electric Floor Cleaning Mop is a high-performance cordless solution designed for efficient wet and dry floor maintenance. Featuring a unique S-shaped ergonomic handle and a dual-action motor that imitates human hand scrubbing at 900 strokes per minute, it provides deep cleaning with minimal effort. Its low-profile design and integrated LED lighting ensure that even hard-to-reach areas under furniture are thoroughly cleaned.

Performance & Power

Powered by a 2000mAh detachable battery, the unit operates quietly at under 65dB.

Scrubbing Speed

900 times/min

Strokes per min
