

# Electric Foot Spa and Massager with Heat

This electric foot spa and massager uses massage rollers and water jets to relieve tired feet. It offers adjustable heat, vibration, and acupressure nodes for a customized and soothing experience.

## Product Overview

### Therapeutic Foot Care Solution

The SS-601 Electric Foot Spa and Massager is designed to provide a comprehensive, relaxing, and therapeutic experience. It combines advanced features like water jets, infrared therapy, and vibration massage to effectively soothe tired feet and target pressure points. Built with safety and convenience in mind, the unit includes an integrated heating element, easy-to-use controls, and a durable, splash-resistant design.
