

Electric Fruit and Vegetable Juicer with Wide Feeding Tube

This electric juicer efficiently extracts juice from fresh produce. It features a wide 85mm feeding tube to accommodate large pieces of fruit and vegetables, minimizing prep time.

Product Overview

Professional Electric Juicer

This high-performance electric juicer is designed for efficient extraction of juice from a wide variety of fruits and vegetables. Featuring a durable stainless steel finish, it combines robust construction with user-friendly operation. The wide feeding tube minimizes prep time, making it an ideal solution for commercial or heavy-duty home use.
