Overview

Professional Electric Hand Planer

This robust electric hand planer is engineered for efficient woodworking, offering precision for shaping, smoothing, and sizing tasks. With a powerful 710W motor and adjustable cutting depth, it provides consistent performance for various workshop applications. Its ergonomic design and lightweight construction ensure ease of use during extended operation.

Technical Specifications

Power Input	710 W
Voltage/Frequency	230-240V/50Hz
No Load Speed	17000 rpm

Performance Metrics

Planing Width	82 mm
Cutting Depth	0-2mm

Physical Characteristics

Net Weight	2.6 kg
