

Electric High-Pressure Washer with Wheeled Frame

This high-pressure washer is designed for heavy-duty cleaning tasks. It features a robust electric motor and a multi-piston pump with brass manifolds.

Overview

Professional Cleaning Performance

This electric high-pressure washer is engineered for demanding industrial and commercial cleaning environments. Built with a robust electric motor and a high-performance multi-piston pump featuring brass manifolds, it delivers consistent and reliable cleaning power. The integrated wheeled frame and ergonomic handle ensure excellent portability, allowing for easy maneuvering across job sites.

Performance Metrics

Pump Construction	Multi-piston, Brass Manifold
Monitoring	Yes

Design & Mobility

Mobility Features

- Wheeled frame
- Integrated handle

Suitable Applications

Industrial • Commercial
