

Electric Ice Shaver Machine

This electric ice shaver machine is designed for commercial or home use. It features a stainless steel hopper and blade for efficient ice shaving.

Product Overview

Professional Ice Shaving Performance

This electric ice shaver machine is engineered for reliable performance in both commercial and home environments. Featuring a robust stainless steel construction, including the hopper and blade, it ensures efficient and consistent ice shaving every time. Safety is prioritized with an integrated mechanism that automatically halts operation when the hopper is open, providing peace of mind during use.
