Product Overview

Versatile Electric Impact Drill

This high-performance impact drill is engineered for professional versatility, capable of handling concrete, steel, and wood with precision. With a robust 800W motor and adjustable speed settings, it provides the reliability needed for demanding construction and renovation tasks. Its compact design and efficient drilling capacity make it an essential tool for any workshop or job site.

Performance Metrics

Rated Input Power

800 W

Rated Input Power

Speed and Impact

Metric	Value
No-Load Speed	0-2800 r/min
Max Impact Rate	0-13600 /min

Drilling Capacity

Max Drilling Diameter

- Concrete: 13mm
- Steel: 25mm
- Wood: 16mm

Electrical Specifications

Power Supply	110/220V, 50/60Hz
