

Electric Kettle Tea Set with Wooden Tray

This electric kettle tea set includes porcelain cups and a tea pitcher. It is arranged on an ornate wooden tray with spaces for the kettle and tea accessories.

Product Overview

Traditional Ceremony Meets Modern Convenience

This elegant electric kettle tea set combines the timeless aesthetic of a traditional tea service with the efficiency of modern brewing technology. The set is thoughtfully arranged on an ornate dark wood tray, which features a built-in drainage system to manage spills during use. Perfect for both home and office environments, this set provides a complete, sophisticated solution for tea preparation and service.
