

Electric Lawn Mower with Collection Bag

This electric lawn mower is designed for residential lawn care. It features a collection bag and a compact design with a handle for easy maneuverability.

Product Overview

High-Performance Electric Mower

The PG 420 electric lawn mower is designed for efficient residential lawn maintenance, offering a reliable 1600/1800W motor for consistent performance. It features a versatile 420mm cutting width and 8 adjustable cutting height settings, allowing for precision grooming of various grass lengths. With its large 55-liter collection bag, this mower minimizes downtime, making it an ideal choice for maintaining tidy outdoor spaces.
