Overview

Compact Electric Power

This electric mini tracked dumper is a versatile and efficient solution for material handling in construction, agriculture, and landscaping. Powered by a 2200W brushless DC motor, it offers quiet, emission-free operation suitable for both indoor and outdoor environments. With a 500kg load capacity and a durable tracked design, it provides excellent stability and maneuverability in tight spaces and challenging terrains.

Performance & Power

Motor Power

2200 W

Motor Power

500 kg

Load Capacity

Motor Type	Brushless DC Motor
Battery Capacity	50 Ah
Operating Voltage	48 V

Technical Specifications

Transmission	CVT Gearbox
Rubber Track Size	180 x 60 mm

Dimensions

Cargo Box Dimensions

Dimension	Value (mm)
Width	742
Length	1120
Depth	260

Packing Size (L x W x D)	1700 x 900 x 1100 mm
