Product Overview

Authentic Brewing with Modern Convenience

This electric Moka pot combines the traditional Italian espresso brewing method with modern electrical heating technology. Constructed from durable stainless steel, it offers a sleek, polished finish that is both aesthetically pleasing and easy to maintain. Designed for efficiency and safety, it features automatic temperature control and a rapid brewing cycle, making it an ideal solution for home or office coffee enthusiasts.

Technical Specifications

Voltage	110 V
Frequency	60 Hz
Power Consumption	365 W

Performance Metrics

Brewing Speed

4 min

4 Cups Brewing Time

1.66 min

2 Cups Brewing Time

Safety & Operation

Safety Mechanisms	Automatic Reset Switch, Thermal Cut-off, Temperature Control Switch
Safety Cut-off Temperature	97 °C

Dimensions & Logistics

Dimensions Table

Item	Dimensions (mm)
Product	106 x 146 x 223
Unit Package	145 x 145 x 230
Master Package	460 x 310 x 245

Weight
