

Electric Mountain Bicycle

This electric mountain bicycle is designed for both on and off-road adventures. It features a robust frame and is equipped with front and rear fenders and disc brakes.

Overview

DELUXE-MTB-1 Electric Mountain Bicycle

The DELUXE-MTB-1 is a versatile electric mountain bicycle engineered for both on-road commuting and off-road trail adventures. Built with a robust frame for enhanced durability and stability, it ensures a reliable ride across varied terrains. The integrated electric drivetrain provides efficient pedal assist, while safety features like disc brakes and mud-protecting fenders make it a practical choice for all-weather use.
