Product Overview

High-Performance Drilling Solution

This professional-grade electric power drill is engineered for versatility and reliability across demanding drilling applications. Designed with a robust motor and variable speed control, it offers the precision required for working with wood, metal, and concrete. The inclusion of a hammer function and auxiliary handle ensures enhanced control and stability, making it an ideal choice for both professional construction tasks and intensive DIY projects.

Technical Specifications

Core Features

- Variable speed control
- Hammer drill function
- Auxiliary handle
- Depth gauge

Included Equipment

- Durable carrying case
- Depth gauge
- Auxiliary handle

Compatible Materials

Wood, Metal, Plastic, Concrete
