

Electric Retractable Ozone Shoe Dryer

This device efficiently dries and sterilizes footwear using ozone technology. The retractable design allows for compact storage and accommodates various shoe sizes.

Product Overview

Efficient Ozone Shoe Care

The Electric Retractable Ozone Shoe Dryer is a specialized solution designed to maintain footwear hygiene and comfort. Utilizing advanced ozone sterilization technology, it effectively removes moisture, eliminates odors, and prevents bacterial growth. Its compact, retractable design ensures it fits easily into any living space while providing quick, safe drying for various shoe types.

Key Features

Core Functionalities

Electric Heating, Ozone Sterilization, Quick Drying, Retractable Design, Odor Elimination

Technical Specifications

Rated Power

180 W

Power Output

Voltage & Frequency

220V-50Hz

Timer Duration

60 minutes

Physical Dimensions

Weight Specifications

Type	Weight
Gross Weight (G.W)	1.3
Net Weight (N.W)	1.2

Unit Size

26 x 16 x 8 cm

Logistics

Container Capacity

- 20' FCL: 6200 pcs
- 40' FCL: 12400 pcs
- 40' HQ: 15000 pcs
