Product Overview

Versatile Electric Rotary Cutter

This electric rotary fabric cutter offers a versatile, portable solution for cutting various materials up to 10mm thick. Designed for both industrial and household applications, it features a durable tungsten steel blade and dual power operation, allowing for either corded use or rechargeable battery portability. It is engineered to enhance production efficiency with low noise, excellent heat dissipation, and an ergonomic, anti-fatigue design.

Technical Specifications

Rated Voltage

100 V

Min Voltage

240 V

Max Voltage

Output Power	35 W
Machine Weight	0.376 kg
Charging Time	2 hours
Blade Material	Tungsten steel
Operation Modes	Corded, Battery Powered

Performance & Capacity

Cutting Capacity by Material

Material Type	Max Thickness
Cloth, textile, knitwear, felt, blanket	10mm
Five layer cardboard, 17 sheets of A4 paper	7mm
Leather, carpet, plastic	5mm

Accessories

Included Accessories

- Fuselage
- Cutter head A (Sharp/Short life)
- Cutter head B (Blunt/Long life)
- Battery
- Plug battery
- Power adapter
- Charging stand
