

# Electric Steam Iron for Garment Care

This electric steam iron efficiently removes wrinkles from clothing. It features a non-stick soleplate and adjustable temperature settings for various fabric types.

## Overview

### Efficient Garment Care Solution

This electric steam iron is engineered for high-performance wrinkle removal across a variety of fabrics including cotton, linen, wool, silk, and synthetics. Equipped with a versatile 180ml water tank, it supports steam, spray, and burst functions to handle stubborn creases with ease. Safety and convenience are prioritized through integrated auto shut-off features and an adjustable temperature control dial for optimal fabric protection.

## Electrical Specifications

### Power Consumption

**1600 W**  
Max Power

Voltage Support	AC100-127V, AC220-240V
Frequency	50 Hz

## Performance Features

### Available Modes

- Steam
- Spray
- Burst

Water Tank Capacity	180 ml
---------------------	--------

## Safety & Control

### Safety Functions

Auto shut off • Pilot light

## Design & Build

### Soleplate Options

- Teflon
- Stainless Steel
- Ceramic
