

Electric Steam Iron with Adjustable Settings

This electric steam iron offers dry, spray, and steam functions, along with burst of steam, self-cleaning, anti-calc, anti-drip, and auto shut-off features. It includes a temperature control dial, steam control slider, water reservoir, and an ergonomically designed handle.

Product Overview

Professional Electric Steam Iron

This high-performance electric steam iron is designed to provide versatile garment care with dry, spray, and powerful steam burst functions. Featuring highly accurate temperature control and an ergonomic handle, it ensures precision and comfort for diverse fabric types. With integrated safety measures like overheat protection and optional advanced features, it is a reliable solution for professional-grade ironing needs.

Performance Metrics

Power Output

2200 W
Max Power

350 ml
Tank Capacity

Steam Capabilities

- Continuous steam: 15-25g/min
- Burst of steam: 0.3-0.5g/time

Technical Specifications

Soleplate Coating Options

Non-Stick • Ceramic • Nano-Ceramic • Stainless Steel • Titanium

Safety Features

- Overheat safety protection
- Anti-Calc (Optional)
- Anti-Drip (Optional)
- Auto Shut-Off (Optional)

Voltage Compatibility

220-240V, 100-127V
