

Electric Step-Through Bicycle with Basket and Rear Seat

This electric bicycle features a step-through frame for easy mounting and dismounting. It is equipped with a front basket, rear seat with backrest, battery pack, and motor for electric assistance.

Overview

Designed for Comfort and Utility

This electric step-through bicycle combines ergonomic design with practical utility, making it an excellent choice for daily commuting or urban errands. Featuring a low-frame geometry for effortless mounting, it comes fully equipped with a convenient front storage basket and a comfortable rear seat with a backrest. The integrated electric assistance system, paired with a reliable suspension fork, ensures a smooth and efficient ride across varied urban terrain.
