

Electric Step-Through City Bicycle

This electric bicycle features a step-through frame, making it easy to mount and dismount. Equipped with a front basket and rear storage, it is designed for urban commuting and recreational use.

Overview

Urban Commuter Electric Bicycle

This electric step-through city bicycle is designed for seamless urban commuting and recreational riding. Featuring a stable, low center-of-gravity design and a comfortable seat, it offers enhanced handling for city environments. Complete with practical storage solutions like a front basket and rear compartment, it is a versatile choice for daily transport.
