

Electric Step-Through City Bicycle

This electric bicycle is designed with a step-through frame, making it easy to mount and dismount. Equipped with a front basket and rear storage, it's ideal for urban commuting and recreational use.

Product Overview

Urban Commuter Electric Bicycle

This electric step-through city bicycle is engineered for efficient urban commuting and recreational riding. Featuring a convenient step-through frame design for easy mounting and dismounting, it is equipped with integrated front and rear lighting for safety. The bike combines practical storage solutions, including a front basket and rear compartment, with a reliable rear-hub electric motor to support daily transportation needs.
