

Electric Step-Through Scooter

This electric scooter has a step-through frame for easy mounting and dismounting. It includes integrated headlights, turn signals, and a comfortable seat for urban commuting.

Overview

Electric Step-Through Mobility

This electric step-through scooter is designed for convenient urban commuting and short-distance travel. Featuring a distinctive yellow and black color scheme, it combines a practical frame design with essential road-safety features like integrated turn signals and mirrors. With its comfortable seating and integrated luggage rack, it offers a reliable solution for daily errands and personal transportation needs.
