

Electric Step-Through Scooter

This electric scooter has a sleek design with a step-through frame for easy access. It includes a headlight, rearview mirrors, a comfortable seat, and a kickstand.

Overview

Modern Urban Mobility

This electric step-through scooter combines sleek, modern aesthetics with practical design features for daily urban commuting. The step-through frame ensures easy mounting and dismounting, while integrated safety components like a headlight and rearview mirrors enhance rider visibility. Built for convenience, it includes a stable kickstand for effortless parking.
