

Electric Step-Through Scooter Bike

This electric scooter bike is designed with a step-through frame for easy mounting and dismounting. It includes a rear storage box, headlight, rearview mirrors, and a padded seat for comfortable urban commuting.

Overview

Urban Commuter Electric Scooter Bike

The X-MEN II electric step-through scooter bike is designed for efficient urban commuting and comfortable recreational use. Featuring a distinctive red and white color scheme, this vehicle combines the ease of a step-through frame with the utility of a rear storage box. It comes fully equipped with essential safety and comfort features, including a bright headlight, rearview mirrors, and a padded seat for an enhanced riding experience.
